

## **2021 – 2022 CCWA Chair Report**

**Submitted by Herb Wall**

**An important mandate of the Coaldale Community Wellness Association is to support the community through the disbursement of grants, sponsorships and awards that will impact the betterment of the community. The CCWA can be once again be proud of their successes of this past year.**

**The disbursement total for the April 1, 2021 to March 31, 2022 fiscal year was \$67,790. The CCWA is proud to report that their grand total disbursement since 2007 is \$872,599.**

**Grants were awarded both in the spring and fall to support sports organizations, Seniors Association, and the Coaldale Public Library, to name a few.**

**It is an honour to annually award local high school graduates one of the three Scholarships the Association supports. It is always a pleasure to read the scholarship applications. Many of the students who apply come from families that have deep roots in the community.**

**Two Community Service Awards are also supported by CCWA. This year two sponsorships and two donations for local organizations were also supported with funds from the CCWA.**

**This year we met monthly at the Coaldale Mennonite Church. There was a full compliment of Board members for the 2021 – 2022 year and we would like to recognize and thank the members for their dedication. Thanks also for the work that Shannon Little does to continually keep the CCWA volunteer board organized and running efficiently. It is an honour and privilege to serve the Coaldale Community.**
